

META envisions a community that supports competitive and diverse employment for all individuals. META is excited to continue our Helping Youth Prepare for Employment (HYPE) program.

During this 20 week paid program, participants will gain soft skills, certificates, industry specific training and hands-on experience.

## Pre-Employment Training

- Soft Skills Certification
- Career and Self-Assessments
- Youth Workers Awareness Program
- Communication and Conflict Management

## Industry Specific Training

- Online Certificates
- Informational Interviewing
- Refining Skills and Work Habits
- Career Research

## Quality Employment Opportunity

- 12 weeks in Your Field of Interest
- Ongoing Counselling and Support
- Professional Portfolio Building
- Professional Networking
